### **[PDF] Abstract Expressionism Wikipedia Free Download For Neufert New Edition**

Abstract expressionism is a post-World War II art movement in American painting, developed in New York in the 1940s. It was the first specifically American movement to achieve international influence and put New York City at the center of the Western art world, a role formerly filled by Paris. Though the term abstract expressionism was first applied to American art in 1946 by the art critic ... Free Download For Neufert New Edition
